Scientific Program of the Second Symposium of Resident doctor's association

December 5-6, 2025

Symposium Opening Ceremony - Hotel Marriott
5.12.2025 - 17:00 h

Day 1 / Friday 5.12.2025 — Conference Hall- Ballroom 1

16:00 – 17:00 Registration "On Desk"

Time	Presentation	Topic	Speaker
17:00 - 17:45	Live	Official Opening Ceremony	Featuring Opening Remarks by: • MD Aleksandra Georgieva – President, ZLS • Azir Aliu – Minister of Health • Prof. MD Svetozar Antović – Dean, Medical Faculty

Plenary Session: "Shaping the Future of Rhythm: Advances in Electrophysiology, Telemedicine, and Physiologic Pacing"			
Moderator: Prof .Dr. Lidija Poposka			
17:45 - 18:00	Live	Cardiac electrophysiology. The past, present and future in treatment of cardiac arrhythmias	Associate Prof. MD Jane Taleski
18:00 - 18:15	Live	Rhythm revolution: telemedicine in cardiac devices	Ass. MD Elma Kandic
18:15 - 18:30	Live	Physiologic pacing. The future in cardiac pacing	MD Filip Janushevski
18:30 - 18:45		Discussion	

Plenary Session: "Reaching New Horizons in Obesity Care: From Stigma to Science"			
18:45 - 19:00	Live	From stigma to science addressing obesity through bariatric care	Prof. MD Ognen Kostovski
19:00 - 19:45	Live	Novo Nordisk satellite symposium AI Insights, Doctor Wisdom: Redefining Obesity Myths Together	Asst. MD Biljana Todorova Asst. MD Aleksandra Stevchevska
19 :45 - 20:00	Live	Expert experience -How to get to the moon without a rocket	Associate Prof. MD Vladimir Chadikovski
20:00 - 20:15	Live	Expert experience	Academician Prof. MD Sashko Kedev
20:15 - 20:30		Discussion	
20:30 - 21:00	Live	AI, are you my partner of my deepest fear? Will you make me the greatest, or wipe my career?	Physical Chemist Milan Popović
21:00 - 23:00 Grand opening - Cocktail party			

Day 2 / Saturday 6.12.2025 Conference room - Meeting room A+B

8:30 - 11:00 Registrations "On Desk"			
Time	**Presentation**	**Subject**	**Speaker**
WORKSHOPS			
09:30 – 10:30	Live	Fast Forward: modernasing trauma diagnostic through bedside ultrasound	Ass. MD Nikola Brzanov
10:30 -11:30	Live	Hands on workshop on thyroid ultrasound- Learn to visualize, detect and interpret thyroid pathology with confidence	Associate Prof. MD Cvetanka Volkanovska Ilijevska Prof. MD Sinisha Stojanovski
11:30 - 12:00	**Coffee Break**		

12:00 - 13:00	Live	Hands on workshop on renal ultrasound: from anatomy to diagnosis	Associate Prof. MD Nikola Gjorgjievski
13:00 - 13:30	Live	Prostate Ultrasound – A Modern Diagnostic Approach	Prof. MD Skender Saidi
14:00 - 15:00	**Lunch Break**		
15:00 - 16:00	Live	Hands on workshop on echoing the flow: carotid Doppler essentials	Ass. MD Danica Petkovska Associate Prof. MD Savetka Paljoshkovska
16:00 - 17:00	Live	ABCDE approach in the management of anaphylactic shock in primary healthcare – an educational workshop using a simulation-based approach	Prof. MD Katerina Stavrikj

Day 2 / Saturday 6.12.2025 Conference Hall- Ballroom 1

Time	Presentation	Topic	Speaker
Plenary Session: "Redefining Precision: The Digital Frontier in Surgical Innovation"			
Moderator: Professor MD Oliver Stankov			
9:00 - 9:15	Live	The 3D model revolution that should already be over	Ass. MD Stefan Arsenkov
9:15 - 9:30	Live	The neurosurgery future AI- guided robotic operating room	Associate Prof. MD Milenko Kostov
9:30 - 9:45	Live	AI, Robotics and regeneration: The next frontier in orthopedic oncology	Prof. MD Milan Samardziski
9:45 - 10:00		Discussion	
10:00 - 10:30	Live	satellite symposium Pfizer ,,From grayscale to color: Life with migraine before and after Vydura”	Associate Prof. MD Gabriela Novotni

Plenary Session: "Redefining Aesthetics: Regeneration, Rejuvenation, and Surgical Innovation"			
Moderator: Ass. MD Josif Janchulev			
10:30 - 10:45	Live	Redefining Aesthetics: Regeneration, Rejuvenation, and Surgical Innovation	Associate Prof. MD Bisera Nikolovska
10:45 - 11:00	Live	The science behind beauty: evidence-based approaches in modern regenerative dermatology	Associate Prof. MD Ivana Dohceva
11:00 - 11:15	Live	Vaginal Rejuvenation – Modern Approaches and Medical Significance	Prof. MD Irena Aleksioska Papastiev
11:15 - 11:30		Discussion	
11:30 - 12:00	**Coffee Break**		
12:00 - 12:45	Live	satellite symposium KRKA Undiagnosed. Untreated. Unforgiven. A missed opportunity in patients with AF	Prof. MD Lidija Poposka

Plenary Session: “Advances in Cardiovascular Medicine: From Coronary Syndromes and Imaging to Intervention and Sleep Disorders”			
12:45 - 13:00	Live	From Plain Old Balloon Angioplasty to the Solution DENovo result - Back to the Future 1977-2025	Academician Prof. MD Miodrag Ostojic
13:00 - 13:15	Live	Longitudinal deformation of the left heart cavities – how we use it in practice	Prof. MD Edin Begic
13:15 - 13:30	Live	New toolbox in modern PCI	Ass. MD Marjan Boshev
13:30 - 13:45	Live	Obstructive Sleep Apnea	Prof. MD Dimitar Karkinski
13:45 - 14:00	Live	Satellite Symposium by LEK Sandoz: “Sumilar H – Triple Therapy for Better Blood Pressure Control”	MD Aleksandra Gulevska
14:00 - 14:15		Discussion	
14:15 - 15:00	**Lunch Break**		

Plenary Session: "Synergy in Care: Non-Technical Skills and Technological Advances in Radiology and Radiation Therapy"			
15:00 - 15:15	Live	Bridging communication gaps: the impact of non-technical skills on clinical team work	Associate Prof. MD Aleksandra Gavrilovska Brzanova
15:15 - 15:30	Live	Interventional Radiology: A New Frontier in Battling Cancer	Ass. MD Andrea Nancheva Bogoevska
15:30 - 15:45	Live	Innovations in the radiation therapy	MD Daniela Poposka
15:45 - 16:00	Live	Discussion	

Plenary Session: “Advances and Perspectives in Modern Clinical Medicine”			
Moderator: Associate Prof. D-r Aleksandra Gavrilovska Brzanova			
16:00 - 16:15	Live	Baveno guidelines in practice: Translating recommendations into better outcomes	Prof. MD Gjorgji Deriban
16:15 - 16:30	Live	The Future of Pediatrics Medicine: A New Modern Glimpse into Tomorrow	Prof. MD Sonja Bojadzieva
16:30 - 16:45	Live	From Microtrauma to Diagnosis	MD Kamelija Simeonova
16:45 - 17:00		Discussion	
Poster Session
